## Young Boswell Interviews Balieff

his moon face has been earleatured almost everywhere.

almost everywhere.

Morris Gest took Young Boswell back stage during the intermission of the Chawve-Souris to meet BALIEFF, who is many the wings talking

important in the system, is to be made for political considerations. It is not this position alone that is at stake, but the morale of the entire professional staff. The elevation of a person of inferior equipment or achievement, whether it be the relative or friend of a political boss or some one associated primarily with political or other channels for preferment, would be a blow to the merit system, which is the very life of efficiency in the schools.

"Our new Governor and legislators, too, can fitly observe this week by giving thought to the measures which should be enacted at the forthcoming session to remove the schools from political control. Greater financial security, greater simplicity in the legal ways of conducting business and freedem from political control and directions.

session to remove the substitute and the political control. Greater financial security, greater simplicity in the legal ways of conducting business and freedom from political control and direction after appointment are all essential problems respecting the Board of Education which the Legislature must solve if the schools are to be truly effective."

Schoolchildren's Pence
For Louvain Library Fund

Bring me a picture he paint of de Vooden Soldjers. Come, I vantyou meet te company. Katinka stuck her head from a dressing room, and bowed a Katinka bow, and the Wooden Soldier, looking surprisingly human in a dressing goom, said a few chosen words in English as he rubbed away his wooden make-up. Young Bosteell went the rounds, saying his one phrase in Russian, which means goodby, and he could tell by the scowl on BALIEFF'S jovial face that he had hopelessly mispronounced it.

hopelessly mispronounced it.
Young Boswell—Wasn't that right?
BALIEFF—Don't ask me. I am Armenian, not Roosian. You say iit as well as I say English. (Young Boswell was consoled.) I have one of my company learn to sing te songs iin English. She atudy for a month, and I have her sing at te mailure because I that
